REPORTS FROM EXECUTIVE DIRECTOR AND COUNCIL OFFICES

Executive Director's Report

Grant Pennoyer, Executive Director, presented the following report.

1. Updating Card Readers and New Access Cards

The new card readers are still pending delivery. Mr. Pennoyer will provide an update of the timing of the transition when he finds out. Once determined, we will process the new cards and distribute them. We are still hoping to make the transition to the new card readers and new cards in December before the start of the Second Regular Session. For those card holders that have not received their new card before the actual transition, we will have the replacement cards available in the Legislative Information Office before security screening so that any card holder that hasn't received their new card can have a new card available to go through the priority screening lane. We will be collecting all old cards after the transition.

2. NCSL Job Classification and Compensation Study

During the week of November 13th to the 17th, NCSL conducted interviews with many individual staff to learn more about the various positions in the Legislature to supplement the information from the surveys filled out by legislative staff. NCSL will be conducting additional analyses on the Legislature's positions and reviewing market information on salaries before formulating their recommendations for their report, which is scheduled to be released by March 15, 2018.

Fiscal Report

Chris Nolan, Director, Office of Fiscal and Program Review, presented the following report.

1. General Fund Revenue Update

Total General Fund Revenue - FY 2018 (\$'s in Millions)

	Budget	Actual	Var.	% Var.	Prior Year	% Growth
October	\$303.8	\$302.9	(\$1.0)	-0.3%	\$291.2	4.0%
FYTD	\$1,197.8	\$1,230.6	\$32.8	2.7%	\$1,195.6	2.9%

General Fund revenue was under budget by \$1.0 million (0.3%) for the month of October and over budget by \$32.8 million (2.7%) for the fiscal year to date. Individual income tax revenue was over budget for the month by \$5.8 million and over budget for the fiscal year by \$24.5 million. Withholding payments and estimated payments continued to be strong in October. Sales and use taxes for October (September sales) were under budget by \$0.1 million for the month but over budget by \$3.8 million for the fiscal year. Corporate income tax revenue was under budget by \$0.9 million in October but over budget by \$9.4 million for the fiscal year to date. Transfers for tax relief programs were over budget (less transferred than budgeted) by \$0.7 million in October largely due to the timing of BETR transfers. Cigarette and tobacco taxes were under budget by \$1.5 million in October and by \$8.2 million for the fiscal year to date.

2. Highway Fund Revenue Update

Total Highway Fund Revenue - FY 2018 (\$'s in Millions)

	Budget	Actual	Var.	% Var.	Prior Year	% Growth
October	\$28.3	\$28.3	\$0.0	0.1%	\$28.3	0.1%
FYTD	\$115.4	\$114.2	(\$1.2)	-1.0%	\$115.8	-1.4%

Highway Fund revenue was on budget for the month of October but under budget by \$1.2 million (1.0%) for the fiscal year to date. The fiscal year to date negative variance continues to be the result of fuel tax payments received in June that were expected in July.

3. Cash Balances Update

The average balance in the cash pool for October was \$1,142.1 million, down slightly from September's average of \$1,143.5 million but well above both last year's average balance for October and the ten-year average for the month. General Fund internal borrowing from other funds was not needed in October. The average Highway Fund balance of \$21.7 million in October decreased from August's average of \$29.8 million.

4. December 2017 Revenue Forecast

The Revenue Forecasting Committee met on November 27th to review and update the current revenue forecast to comply with its December 1st statutory deadline. A summary of its preliminary findings follows below. The complete report will be available later this week.

General Fund revenue estimates were revised upward by \$17.9 million for FY18 but downward by \$11.7 million for FY19 (upward by \$6.2 million for the 2018-2019 biennium). The revised forecast increases the overall rate of growth for General Fund revenue for FY18 from -0.2% to 0.3% but reduces the rate of growth for FY19 from 4.7% to 3.8%. The projections for FY20 assume a much smaller overall growth rate of 0.5%, largely the result of Municipal Revenue Sharing returning to the 5% level under current law from the 2% level in place for FY16 through FY19. The growth rate for FY21 is now projected to be 3.6%.

General Fund Summary - Preliminary December 2017 Forecast

	FY18	FY19	FY20	FY21

Total Revisions - Increase (Decrease)	\$17,938,255	(\$11,750,528)	(\$6,307,179)	\$6,727,385

Highway Fund revenue estimates were revised downward by \$2.5 million for the FY18 and by \$0.3 million for FY19 (downward by \$2.8 million over the 2018-2019 biennium). The FY 18 reduction was largely the result of fuel tax payments received in June (FY17) that were expected in July.

Fund for a Healthy Maine revenue estimates were revised upward by \$2.7 million for FY18 and by \$3.1 million for FY19 (upward by \$5.8 million over the 2018-2019 biennium). The changes were largely the result of updated national estimates for tobacco settlement payments.

Medicaid/MaineCare Dedicated revenue estimates were revised upward by \$0.9 million per year for FY18 and FY19.

Executive Director's Report December 14, 2017

1. Updating Card Readers and New Access Cards

Although the new card readers have arrived, a reassessment of the effort required to install the new panels led to a determination to delay the transition until after the conclusion of the Second Regular Session. We will distribute the new cards immediately in advance of the transition. When the timing is determined for this coming interim, we will provide notice and instructions to all Legislators and Legislative Staff.

2. Harassment Training

Jackie Little, Human Resources Director, offered several training sessions on harassment last week with a new format that included a discussion of scenarios. This new format provided for some very thoughtful discussions of the various issues and was a very effective training session. Supervisors attended a separate session on Tuesday, December 5th, and three training sessions were offered for the rest of Legislative Staff on Wednesday, December 6th. Only two supervisors were not able to attend the mandatory training session on the 5th. They will be offered in-person training separately. For the 36 other staff that missed the training on the 6th, an additional session will be offered on January 19th at the end of a new employee orientation session.

3. Second Aspiring Leaders Program

A second group of staff have completed the Aspiring Leaders program that was first offered last year. This very successful program designed in-house to encourage and engage promising staff is being recognized by NCSL in an "Innovations" section in its magazine. This year's graduates are: Amy Gagne and Maura Pillsbury from the Office of Program Evaluation and Government Accountability; Luke Lazure from the Office of Fiscal and Program Review; Margaret Reynolds from the House Democratic Office; Emily Cook from the Senate Democratic Office; Henry Fouts, Karen Nadeau and Kristin Brawn from the Office of Policy and Legal Analysis; Amanda Goldsmith from the Executive Director's Office; and Jessica Lundgren from the Law and Legislative Reference Library.

4. Copper Reuse Project

With the selection of the two artists to use the copper from the State House Dome, we are nearing the end of the Copper Reuse Project. Artists will be completing their projects over the course of the Second Regular Session and will be installing them next June. We will also be doing one last marketing effort to sell sheets of copper. We have approximately 550 square feet available to sell.

Fiscal Briefing

December 14, 2017

Prepared by the Office of Fiscal & Program Review

1. General Fund Revenue Update (see attached)

Total General Fund Revenue - FY 2018 (\$'s in Millions)

	Budget	Actual	Var.	% Var.	Prior Year	% Growth
November	\$264.3	\$276.6	\$12.3	4.7%	\$259.6	6.5%
FYTD	\$1,462.1	\$1,507.2	\$45.1	3.1%	\$1,455.2	3.6%

General Fund revenue was over budget by \$12.3 million (4.7%) for the month of November and over budget by \$45.1 million (3.1%) for the fiscal year to date. These positive variances do not reflect the December 2017 revenue forecast, which increased budgeted revenue by \$17.9 million in FY 2018. Individual income tax revenue was over budget for the month by \$10.3 million and over budget for the fiscal year by \$34.8 million. Withholding payments continued to be strong in November. An additional (fifth) Thursday in November likely contributed to the overage. Sales and use taxes for November (October sales) were on budget for the month but over budget by \$3.8 million for the fiscal year. Corporate income tax revenue was under budget by \$5.9 million in November but over budget by \$3.5 million for the fiscal year to date. Corporate income tax refunds were under budget (more refunded than budgeted) by \$6.4 million for the month but are essentially on budget for the fiscal year to date. This underage appears to be a timing issue as corporate income tax refunds previous to November had been over budget (less refunded than budgeted).

2. Highway Fund Revenue Update (see attached)

Total Highway Fund Revenue - FY 2018 (\$'s in Millions)

	Budget	Actual	Var.	% Var.	Prior Year	% Growth
November	\$31.8	\$33.2	\$1.4	4.5%	\$30.7	8.4%
FYTD	\$147.2	\$147.5	\$0.3	0.2%	\$146.5	0.7%

Highway Fund revenue was over budget by \$1.4 million (4.5%) for the month of November and over budget by \$0.3 million (0.2%) for the fiscal year to date. These positive variances do not reflect the December 2017 revenue forecast, which decreased budgeted revenue by \$2.5 million in FY 2018. The majority of this overage relates to truck registration fees received through the International Registration Plan. This line will be adjusted upwards in December.

3. Cash Balances Update

The average balance in the cash pool for November was \$1,120.3 million, down from October's average of \$1,142.1 million but well above both last year's average balance for November and the ten-year average for the month. General Fund internal borrowing from other funds was not needed in November. The average Highway Fund balance of \$25.3 million in November increased from October's average of \$21.7 million.

Re: Proposed Reassignment of a Room for Staff of Representatives that are not enrolled in the Two Major Parties

I have been working with the Speaker's Office to try and locate a suitable Legislative space at the State House or the Cross Office Building for some contract staff that have been hired by Representatives not enrolled in the two major parties. We believe we have identified suitable space just off the main lobby of the 2nd floor of the Cross Office Building, Room 219 (see attached floor plan for location). This space was used during the session by the American Sign Language (ASL) Interpreters and staff in the Legislative Information Office (LIO). With the changes last year to the location of LIO, LIO staff are no longer using that space during session. The ASL Interpreters are onsite one day each week, rotating between Wednesdays and Thursdays. It seems inequitable to tie up such valuable space in the Cross Office Building to use it only one day per week and only during the session.

Given the situation and the need for an appropriate location within Legislative Space for the Legislators not enrolled in the two major parties and their part-time contract staff, my office and LIO feel that we can find a location for the ASL Interpreters on the days that they are onsite during the session making this space available for reassignment for use by the Legislators not enrolled in the two major parties. This proposed reassignment of Room 219 in Cross was acceptable to those Legislators.

Thank you for your consideration of this request to reassign a room within Legislative Space.
