

Federal Grant Awards Identified in Coronavirus Relief Legislation

This list contains authorizations included in four pieces of federal legislation related to COVID-19 including grants award to the State of Maine, grants awarded to entities within the state, provider relief payments made directly from the federal government to private entities, PPP loans received by business and other loans. The last item, the Municipal Liquidity Fund, is not anticipated to be utilized. This document will continue to be updated as additional federal awards are made.

The \$1.25 billion in the Coronavirus Relief Fund has been received. The State has received grant notification documents for the amounts in green. Those grants have their own specific requirements and follow typical grants processes for expenditures, reporting and cash draw downs.
