								FY22	FY23
798	334			Pouliot	An Act To Improve the Educational Opportunity Tax Credit	<p>This bill <u>replaces current IT credit for educational opportunity</u> for tax years beginning on or after January 1, 2022.</p> <p>The bill <u>creates a new simplified tax credit for student loan repayment</u> applicable to tax years beginning on or after January 1, 2022. It provides that taxpayers who were eligible for a refundable credit under the credit for educational opportunity may continue to receive a refundable credit for tax years beginning before January 1, 2024.</p> <p><b>ELEMENTS OF NEW CREDIT:</b></p> <ol style="list-style-type: none"> <li>1. A <u>qualified individual</u> must be a full-year Maine resident who has obtained an associate, bachelor's or graduate degree from an accredited Maine or non-Maine community college, college or university and who works at least part time in Maine or on a vessel at sea or is deployed for military service in the United States Armed Forces during the taxable year.</li> <li>2. <u>Loans obtained from related persons</u>, such as family members, and certain businesses, trusts and exempt organizations, <u>do not qualify</u> for the credit.</li> <li>3. The credit is <u>not refundable</u></li> <li>4. The <u>credit allowed for qualified individuals</u> is the <u>lesser of the amount paid on eligible education loans during the taxable year and 15% of the outstanding eligible education loan debt on the date the first education loan payment is made after a degree is earned.</u></li> </ol>			

<sup>1</sup> . Numbers may represent preliminary estimates and are subject to change. For more detail, please see fiscal note documents in LD file.

						<p>5. The credit allowed for employers is the lesser of the amount paid by an employer on behalf of a qualified employee during the taxable year during the term of employment and 20% of the outstanding eligible education loan debt on the date the first education loan payment is made after December 31, 2021.</p> <p>6. The credit is available to the spouse of an individual eligible for a credit even if the spouse is not employed.</p> <p>7. Income tax deductions are provided for student loan payments made directly to a lender by an employer on behalf of a qualified employee and payments made directly to a lender on behalf of a taxpayer by a student loan repayment program funded by a nonprofit foundation and administered by the Finance Authority of Maine for residents of the State employed by a business located in the State.</p> <p>8. The annual credit may include loan amounts paid in excess of the amount due during a taxable year.</p> <p>9. Credits in excess of those that may be used during a taxable year may be carried over for the next succeeding 5 years.</p> <p>The bill also provides an appropriation of \$75,000 annually to FAME to market the tax credit.</p>			
973	928			Wood	An Act Regarding the Educational Opportunity Tax Credit	<p>This bill allows a qualified individual receiving a EdOp IT credit to</p> <p>1. claim payments made by April 1, 2021 on loan payments due in tax year 2020 and</p> <p>2. To claim payments made until December 1, 2021 for loan payments due in tax year 2021.</p> <p>3. For tax years beginning January 1, 2022, the bill allows prepayment prior to the due date on obligations for loans due that tax year and</p> <p>4. For qualified individuals to be able to make catch-up payments in the first 2 years of their participation in the program.</p>
